*Rejuvenate yourself
with the ultra relaxing Chairs*

LEADING MANUFACTURER OF MODERN CAFETERIA SEATING

The range of furniture and seating systems manufactured at Shree Radhey Krishna Industries LLP are well appreciated by a loyal client base because of its durability, reduction of fatigue while working long hours, easy maintenance, exclusive colors, polished surface, finished edges, various sizes and a host of other features. The understanding of seating systems and its technology goes hand in hand with the passion for the craft. The inspiration is the craft itself strengthened by a passion for enduring forms. The work can be seen on the premises of clients related to architecture, interior designing, interior decorations, hotel projects and institutional projects.

Broadly classified according to usage to avoid confusion our range of chairs is in great demand globally and has helped us create an exemplar in design productivity. We proudly acknowledge our passion and drive that has helped us reach this far. The foresight and direction given by our promoters has enabled us to produce products that our clients continuously want to relax in. The comfortable furniture offered by us is ideal for longer hours seating and our director guides us to spare no effort for the comfort of our clients.

Our newly launched Cafeteria series is to set another example of our dedication towards thriving the top position in the industry.

Growing demands of cafes in India and the luxury comfort associated with it, makes us think deep towards fulfilling the needs of our clients and thereby giving our 100 percent in this new venture!

Our range of series includes top most comfort, exemplary style, effortless seatings and luxury beyond imagination, at affordable prices.

Product Range

We at QEDO have an extensive range of Cafeteria and Lounging furniture to suit most needs within the Hospitality and Leisure industry. Looking for Indoor, Outdoor, Poolside, or Office furniture, we have it all! Talk to our experts. Touch and feel the products.

Modern Seating

Talk about comfort zone or ultra luxurious looks, We at QEDO will match all your requirements. Our products offer exciting, unique and eclectic range of beautifully assembled modern day furniture at prices to match our client's budget.

Customised solutions

Qedo has always given priority to the individual needs of every client. From designing to colour scheming all can be customised according to the clientele's needs. You can choose from a wide variety of products offered including Cafeteria Chairs, Cafeteria Tables and Lounge Furniture. Latest editions to our client database are the Food courts at Airports and Malls where you can find Qedo products created and suited for comfortable seating.
